

RULE 302

Fees for Publications

- (a) The Air Pollution Control Officer shall designate those publications, including information circulars, reports of technical work, or other reports prepared by the District for which a fee shall be charged. After such a publication has been designated by the Air Pollution Control Officer, any person receiving such publication shall pay a fee. Such fee shall be established by the Air Pollution Control Officer in a sum not to exceed the cost of preparation and distribution of such documents. Such fees shall be deposited in the District treasury.
- (b) Notwithstanding subsection (a), any person shall be entitled to one copy of any District publication without charge.
- (c) Nothing in this Rule shall be construed to limit rights of any person, or of the District, pursuant to the California Public Records Act, Chapter 3.5, Division 7 of Title 1 (Commencing with Section 6250) of the Government Code.
